KENNEDY

± 3,219 Approx Sq Ft

Two Stories • Unfinished Basement

4 Bedrooms • 3 Bathrooms • 2-car Garage

The design of the Kennedy evokes simplicity and tradition while incorporating the must-have luxuries of a modern home. An inviting covered porch leads you into the foyer which is open to the traditional-style dining room. The thoughtful floor plan features a great room, nook and well-appointed kitchen along the back of the home for the best of connected living. The primary bedroom is off the main living space and features two windows overlooking the backyard as well as a spacious bath retreat and closet. A second bedroom or study with a private, full bathroom is also on the first floor. The second floor of the Kennedy features two spacious bedrooms, a loft space and a full bathroom. An unfinished basement provides ample space for your family to grow and create spaces for entertaining and hobbies.
