## KIMBER

± 3,560 Approx Sq Ft

Two Stories • Unfinished Basement

4 Bedrooms • 3 Bathrooms • 3-car Garage

The practical open-feel design of the Kimber provides wonderful fluidity throughout the home starting with the inviting covered porch leading you into the foyer of the home with the dining room and a powder room for guests at the front of the home. A well-appointed kitchen with an eat-in nook is open to the great room for connected living. The great room and nook open up to a covered porch leading you to the backyard and providing for a breath of clear country air. The primary bedroom is down the hallway from the main living space and features a large window overlooking the backyard as well as a spacious bath retreat. A second bedroom or study with a private, full bathroom is also on the first floor. The second floor of the Kimber features three spacious bedrooms, a loft space and a full bathroom. An unfinished basement provides ample space for your family to grow and create spaces for entertaining and hobbies.
