MIDDLETON

± 2,600 Approx Sq Ft

Two Stories • Unfinished Basement

4/5 Bedrooms • 3/4 Bathrooms • 3-car Garage

The easy elegance of the Middleton will charm you from the moment you step onto the porch leading you into the foyer. The dining room is open to the foyer offering a touch of traditional style to the floor plan. The hallway off the entry features a staircase for dramatic effect as you travel down the hall into the spacious great room at the back of the home which opens to a deck and screened porch for comfortable year-round living. From the great room, you step into the primary suite offering a relaxing retreat with a wonderful bathroom and plenty of closet space. The open floor plan features the kitchen and keeping room as a part of the great room. An additional bedroom and bathroom complete the main living space. Upstairs you'll find two additional bedrooms sharing a bathroom as well as space to build a future playroom and bathroom. The unfinished basement also offers plenty of space to expand the home as your family's needs grow.
